

Sydney Dental Implants Presents

Implant/Restorative Dentistry One Day Intensive

Friday September 23rd, 2011

ADA NSW Centre for Professional Development
71-73 Lithgow St, St Leonards, Sydney 2065

Dr Nicholas W Hocking

BDS (Adel), MSc (Lond), MCLinDent (Pros) (Lond) FICD, PFA

Join Dr Nicholas Hocking for a one day intensive look at Implant Surgery and Prosthodontics for today's busy general dental practitioner.

This course is accredited for 6 CE hours.

Dr Nicholas Hocking

Dr Nicholas Hocking has been carrying out both the restorative and surgical stages of implant dentistry for almost twenty years and runs a busy referral based private practice on Macquarie St, Sydney.

A regular lecturer in post-graduate education, Dr Hocking taught the one year Osseointegration course through the Department of Continuing Education at the Eastman Institute, London, and has lectured on both a national and international stage.

He has been the course coordinator for the extended 'Advanced Crown, Bridge and Veneers' course at the Department of Continuing Education, University of Sydney for over 10 years and is a lecturer and examiner for the 'Graduate Diploma in Clinical Dentistry (Oral Implants)' program also at the University of Sydney.
